

SAFETY DATA SHEET

Item Code: N40FR to N45**FR**

Section 1.	Identification of the material and the supplier
-------------------	--

Item Code:	N40**FR to N45**FR
Product:	Maxflex, Maxflex-AD
Product Use:	Closed cell elastomeric thermal insulation
New Zealand Supplier:	Realcold Ltd
Address:	9 Prescott Street Penrose, Auckland
Telephone:	09 526 5700
Fax Number:	09 526 5721
Emergency Telephone:	09 526 5700 0800 764 766 (National Poison Centre)
Manufacturer:	Maxflex, 700/135 Moo5, Klongtumru, Muang Chonburi, 2000
Date of MSDS Preparation:	14 March 2017 Ver2

Section 2.	Hazards Identification
-------------------	-------------------------------

The manufacturer has stated that this substance is not hazardous .

On this basis and a review of the product it has been assessed as being non-hazardous under the *HSNO (Minimum Degrees of Hazard) Regulations 2001*

Section 3.	Composition / Information on Ingredients
-------------------	---

This product does not contain any reportable hazardous components
Based on synthetic rubber with additive.

Section 5. Fire Fighting Measures

Hazard Type	Non hazardous/ non flammable
Suitable Extinguishing media	Water, CO2 or Dry chemical and foam
Precautions for firefighters and special protective clothing	Recommended NIOSH approved self-contained breathing apparatus and full protective clothing must be worn.
HAZCHEM CODE	None allocated

Section 6. Accidental Release Measures

Accidental release does not pose any environmental or human risk. Any release of sheets or particles should be disposed of for aesthetic reasons.

Section 7. Handling and Storage

Storage Store in a cool, dry place, out of direct sunlight.

Section 8 Exposure Controls / Personal Protection**Personal Protection**

Eye Protection: Eye shield may be required if material is being cut in area of high air movement

Section 9 Physical and Chemical Properties

Appearance	Black tubes or sheets
Odour	N/A
Flash Point	N/A
Boiling Point	N/A

Section 10. Stability and Reactivity

Stability of Substance	Stable
Conditions to Avoid	N/A
Incompatible Materials	N/A

Section 11 Toxicological Information

None reported

Section 12. Ecotoxicological Information

None known

Section 13. Disposal Considerations

Dispose of according to Local Regulations.

Section 14 Transport Information

The manufacturer has stated that this product is not classified as a Dangerous Good for transport in NZ ; NZS 5433:2007

Section 15 Regulatory Information

This product is not regulated under any hazardous substance or health & safety legislation in New Zealand.

Section 16 Other Information

1. HSNO Approved Code of Practice: Preparation of Safety Data Sheets, September 2006.

Disclaimer

This document has been issued by Realcold Limited and serves as their Safety Data Sheet ('SDS'). It is based on information concerning the product which has been provided to Realcold Limited or obtained from third party sources and is believed to represent the current state of knowledge as to the appropriate safety and handling precautions for the product at the time of issue. Further clarification regarding any aspect of the product should be obtained directly from the manufacturer. While Realcold Limited have taken all due care to include accurate and up-to-date information in this SDS, it does not provide any warranty as to accuracy or completeness. As far as lawfully possible, Realcold Limited accept no liability for any loss, injury or damage (including consequential loss) which may be suffered or incurred by any person as a consequence of their reliance on the information contained in this SDS

The information herein is given in good faith, but no warranty, express or implied is made.

Please contact the New Zealand distributor, Realcold Ltd, if further information is required.
